

The following topics are suggested for discussion:

- Source base for the study and research of the Holodomor of 1921-1923. Documents and materials of mass robbery and terror by the famine of the Ukrainian people.
- Historical, ideological and political preconditions and causes of the first Holodomor of Ukrainians in 1921-1923.
- Lenin - ideologue and organizer of the Holodomor in Ukraine.
- The Holodomor of 1921-1923 as a consequence of the defeat of the national liberation struggle of the Ukrainian people.
- Terror by the famine of Ukrainians as an instrument of state policy of the Russian communist regime.
- Socio-political and demographic consequences of the Holodomor of 1921-1923 for the Ukrainian people.
- The crucial role of foreign charitable organizations in saving the starving in Ukraine. Blockade by the communist regime of Russian aid to the starving by the American Aid Administration led by G. Hoover, the Organization of European Aid to the starving of Soviet Russia and Ukraine led by F. Nansen, the International Committee of the Red Cross, Mennonite communities in the United States, Canada and the Netherlands, religious and charitable societies.
- Legal Aspects of the recognition Holodomor as the genocide of Ukrainians by the Russian communist regime and the problem of historical memory.
- Holodomors of 1921-1923, 1932-1933, 1946-1947 as genocide of Ukrainians in history lessons.

We invite you to take part in the work.
